COMMISSION CLERK

FLORIDA PUBLIC SERVICE COMMISSION  
2540 Shumard Oak Blvd.  
Tallahassee, Fl. 32399

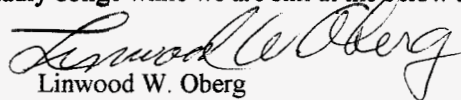

June 14/05

In reference to my DIRECT TESTIMONY of Docket No. 020896-WS filed November 18, 2004 I wish to advise the commission of some changes made and the reasons thereof.

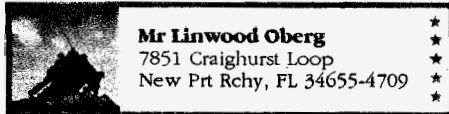

On page 3, question 12. Since we will be moving to Texas in late July or early August we must sell our premises. In order to do that I had an installation made of a reverse osmosis appliance under the kitchen sink so that any new owner would have access to healthy drinking and cooking water and we no longer need to buy bottled water. This was at a cost of \$389.00, on 3/3/05, ck# 430 drawn from Bank of America. My reasoning was to avoid a lawsuit from the new owner when my home is finally sold. I only wish Aloha would pay for it and return the other money owe us and all their customers. I'll leave my new address with them in the event they are forced to return the over-payment they shifted on to us sometime ago

We, my daughter, Lana, and I are traveling to Maine On Wed. June 15<sup>th</sup> and returning on the 23<sup>rd</sup>. This trip is being made in order to bury my wifes' remains.  
**Should you need further testimony I shall gladly oblige while we are still at the below address, our present home.**

Thank you, sincerely,

  
Linwood W. Oberg

PS: Please make copies for your prosecutors etc. My present address: 7851 Craighurst Loop, Trinity, Fl. 34655
