Sprint-Florida, Incorporated's Request for Confidential Classification
Pursuant to Section 364.183(1), Florida Statutes

Sprint-Florida, Incorporated (hereinafter, "Sprint-Florida") hereby requests that the Florida Public Service Commission ("Commission") classify certain documents and/or records identified herein as confidential, exempt from public disclosure under Chapter 119, Florida Statutes and issue any appropriate protective order reflecting such a decision.

1. The information that is the subject of this request is confidential and proprietary as set forth in paragraph 3. Sprint previously filed a cover letter to Sprint's Request for Confidentiality related to this information on June 17, 2005 and is filing this request pursuant to Rule 25-22-2006, F.A.C. The following documents or excerpts from documents are the subject of this request:

Highlighted information on page 2 of Attachment to Interrogatory No. 79

2. Two redacted copies of the information are attached to this request. One unredacted copy of the confidential information was filed under seal with the Division of Records and Reporting on June 17, 2005 (Document No. 05793-05).

3. The information for which the Request is submitted is KMC customer account information that Sprint is required by law (section 354.24, F.S.) or contract (Sprint's interconnection agreements with KMC) to keep confidential.

4. Section 364.183(3), F.S., provides:

(3) The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public. The term includes, but is not limited to:

(a) Trade Secrets.

(b) Internal auditing controls and reports of internal auditors.

(c) Security measures, systems, or procedures.

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.

(f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

5. Section 364.24, Florida Statutes, prohibits a telecommunications company from intentionally disclosing customer account records, except as authorized by the customer or allowed by law.

6. The subject information has not been publicly released by Sprint.

7. The Commission has previously granted confidential classification to similar information filed in this docket in Order No. PSC-05-0542-CFO-TP.

Based on the foregoing, Sprint respectfully requests that the Commission grant the Request for Confidential Classification, exempt the information from disclosure under Chapter 119, Florida Statutes and issue any appropriate protective order, protecting the information from disclosure while it is maintained at the Commission.

RESPECTFULLY SUBMITTED this 20th day of June 2005.
