FPSC-COMMISSION CLERK

**Amendment to the Agreement
Between
LecStar Telecom, Inc.
and
BellSouth Telecommunications, Inc.
Dated January 1, 2003**

Pursuant to this Amendment, (the "Amendment"), LecStar Telecom, Inc. ("LecStar"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated January 1, 2003 ("Agreement") to be effective on the date of the last signature executing the Amendment.

WHEREAS, BellSouth and LecStar entered into the Agreement on January 1, 2003, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. The terms and conditions for utilizing the Bulk Migration process shall be added to Attachment 2, sections 2.1.11 thru 2.1.13 of this Agreement as follows:

2.1.11 **Bulk Migration**

2.1.12 BellSouth will make available to LecStar a Bulk Migration process pursuant to which LecStar may request to migrate port/loop combinations, provisioned pursuant to a separate agreement between the parties, to Loops (UNE-L). The Bulk Migration process may be used if such loop/port combinations are (1) associated with two (2) or more Existing Account Telephone Numbers (EATNs); and (2) located in the same Central Office. The terms and conditions for use of the Bulk Migration process are described in the BellSouth CLEC Information Package, incorporated herein by reference as it may be amended from time to time. The CLEC Information Package is located at www.interconnection.bellsouth.com/guides/html/unes.html. The rates for the Bulk Migration process shall be the nonrecurring rates associated with the Loop type being requested on the Bulk Migration, as set forth in Exhibit B. Additionally, Operations Support Systems (OSS) charges will also apply. Loops connected to Integrated Digital Loop Carrier (IDLC) systems will be migrated pursuant to Section 2.6 below.

- 2.1.13 Should LecStar request migration for two (2) or more EATNs containing fifteen (15) or more circuits, LecStar must use the Bulk Migration process referenced in 2.1.12 above.

2. All of the other provisions of the Agreement, dated January 1, 2003, shall remain in full force and effect.
3. Either or both of the Parties are authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.
