RE: 2005 Local Competition Data Request Response

Dear Ms. Ollila:

Attached is our response to the 2005 Local Competition Data Request. The table portions of the data request are not currently applicable so we are not submitting them. With the exception of the header portion, we feel that all of the fields (Questions 1-13) contain information that we consider privileged confidential information. We believe that this letter in conjunction with the attached response meets the requirements set forth under section 364.183 Florida Statutes. If it does not, please notify us and we will take further action.

If you have any questions or we can be of assistance in processing our response, please feel free to contact me at 850-297-0551 Extension 107.
