Re: 2005 Competitive Local Exchange Carrier (CLEC) Data Request

Dear Ms. Bayo:

Enclosed for filing is LecStar Telecom, Inc.'s ("LecStar") response to the Florida Public Service Commission's ("FPSC") 2005 Competitive Local Exchange Carrier (CLEC) Data Request. In accordance with Section 364.183(1) LecStar is seeking confidential treatment of our reply to the data request. The rationale for all redacted elements identified in the attached documents as confidential is that "the confidential information is sensitive competitive information that could result in harm if released to our competitors".

Therefore, pursuant to Rule 25-22.006(5) LecStar has provided one (1) original highlighted copy of our response and two edited/redacted copies of our response for public display. In addition, LecStar will file our response electronically via email to Sue Ollila as directed in the June 3, 2005 data request. The electronic version will include highlighting identified electronically and is for internal Commission use only.

CMP Please acknowledge receipt of this letter by stamping the extra copy of this letter "filed" and returning to my attention. Thank you or your assistance with this filing.
