Bundled Services

4. Please complete the following table. For each residential and business package of bundled services you sell, list its name (e.g., Sprint Solutions), mark the included services, and enter the price and take rate. The take rate is calculated by dividing the number of customers that have subscribed to the corresponding package by the number of customers that can obtain that package from your company. Examples have been shaded.

RESPONSE: BST CLEC does not offer bundled residential or business services. All current customers are business customers who buy at the referenced General Subscriber Services Tariff ("GSST") rate or negotiate customer-specific competitive prices under a Contract Service Arrangement (CSA).

Residential	Name of Package	Local	Long Distance	Broadband	Wireless	Video Service	Price	Take Rate
	Resphone	✓	✓			✓	\$69.99	35%
	N/A
