RE: Docket No. 050209-TI; Acknowledgment of registration as intrastate interexchange telecommunications company, effective March 29, 2005, by Iconnect Wholesale, Inc.

On March 29, 2005, this Commission received a registration from Iconnect Wholesale, Inc. for an interexchange service registration to provide telecommunications service in Florida.

Upon review, Commission staff found the registration form to be inaccurate and incomplete due to the company neglecting to provide working phone/fax numbers, email addresses, and a valid business address. Staff attempted to contact the company on May 9, 2005, and again on July 1, 2005, at the telephone number listed on the IXC registration form. Per a voice recording from the local exchange provider, the company's phone number was permanently disconnected. Staff attempted to email the company on May 20, 2005, and the email was returned undeliverable on May 22, 2005. Staff sent the company a certified letter requesting working phone numbers and contact information and the certified letter was returned to staff on June 30, 2005, by United States Post Office stamped "moved, left no forwarding address".

As required in Section 2.07. C. 5.g, Administrative Procedures Manual, on June 17, 2005, a certified letter was sent to the company requesting correction of the contact information listed on the registration form within 15 days. As of the date of this Memorandum, no response has been received from the applicant. Therefore, staff recommends that the IXC registration be denied and the docket closed.
