Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding and the commission shall grant intervenor status to any governing body that files a petition.

Please forward a copy of Dixie Groves Utility Company application for a SARC to the Chief Executive Officer of Pasco County as required by law, and copy the Commission as proof that an application was forwarded to them.
