Todd--in reviewing the confidential documents inventory it appears to me that we can return Document No. 09881-04, which is the original version of Exhibits TLH-1, 2, and 3 to Thomas Hartman's testimony in Docket No. 040001. FPL filed a revised version of these exhibits in Document No. 11779-04, which was granted confidential classification in Order No. PSC-04-1090-CFO-EI. Accordingly, the old version of the information, which is contained in Document No. 09881-04, should be returned to FPL. Do you agree?
