RE: Docket No. 050297 - Emergency petition by Saturn Telecom Services Inc. d/b/a STS Telecom to require BellSouth Telecommunications, Inc. to allow additional lines and locations to STS's embedded base, and for expedited relief.

On April 29, 2005, Saturn Telecom Services Inc. d/b/a STS Telecom (STS) filed its Emergency petition to require BellSouth Telecommunications, Inc. (BellSouth) to allow additional lines and locations to STS's embedded base, and for expedited relief.

On July 27, 2005, STS submitted a letter advising that it had reached a satisfactory agreement with BellSouth and wished to withdraw its Petition in this Docket. No agency action has been taken in this Docket, other than one procedural order granting an unopposed request for an extension of time for filing a response. With the withdrawal of the Petition, there is no further action required or requested of this Commission on this matter. Accordingly, any pending motions are rendered moot and, pursuant to APM 2.07(C)(2)(d)(4), the docket should now be administratively closed.

RE: Docket Number 050297-TP
Docket Number 040732-TP

Dear Mr. Fordham:

This is to advise you that Saturn Telecommunication Services Inc. ("STS"). has worked out satisfactory payment arrangements with BellSouth Telecommunications regarding the billing dispute, which was the subject of Docket Number: 050297-TP.

This is further to advise you that STS has entered into a market base rates agreement with BellSouth Telecommunications, thus, it is STS's request that Docket Number 040732-TP, be closed and/or dismissed.

I had attempted to call you to explain the above; however, you were out of the office until Monday, August 1, 2005.

If there is any other notification required than this letter to accomplish the closing and/or dismissal of both Dockets, please advise and we will promptly submit the same.

I thank you for your attention to this matter and the courtesies, which you have shown in both Dockets.

Very truly yours,

ALAN C. GOLD
