Based on what we did last month, that's fine with me!

Hi Denise,

Confidential DNs 09079-01, 09080-01, and 09081-01 are being declassified and forwarded to you.

Confidential DN 09525-01 is ready to be declassified, but in the Commissioner's order, he said that FPL would like to have their stuff back. Is it OK to return confidential DN 09525-01 to the company instead of declassifying it and placing it in the public docket ????
