Re: Docket No. 050192-WS; Application of Central Sumter Utility Company, L.L.C. for original water and wastewater certificates in Sumter County, Florida.

Dear Mr. Friedman:

Enclosed please find Certificate Nos. 631-W and 540-S, that have been issued for Central Sumter Utility Company, L.L.C. These certificates should be forwarded to the utility to be retained in the utility's office. The certificates will have to be returned to the Commission along with any application the utility may file in the future requesting an amendment of certificated territory, transfer of ownership, or change in name of the utility. You explained that the utility had a copy of the rules and did not need another copy, so these have not been included.

If you have any questions, please contact me at (850) 413-6999.

Sincerely,

A handwritten signature in cursive script that reads "Richard Redemann".
