RE:	Docket No. 050078-EI, Petition for Rate Increase by Progress Energy Florida - Confidentiality Request - Document No. 07467-05

On August 2, 2005, Progress Energy Florida (PEF or Company) filed a request for confidential classification of Document No. 07467-05. Specifically, the Company requested confidential treatment for PEF's responses to:

Commission Staff's 7th Request for Interrogatories, No. 183.

The proprietary business information in question deals with contractual insurance pricing arrangements and terms with third parties.

Staff has reviewed Document No. 07467-05 and recommends PEF's request for confidential classification be granted. Staff is in agreement with the Company that the information in question relates to PEF's competitive interests, the disclosure of which would impair PEF's competitive business interests. As such, staff believes this information should be afforded confidential treatment under Section 366.093(3)(e), Florida Statutes.
