Re: Docket No. 050192-WS; Application of Central Sumter Utility Company, L.L.C. for original water and wastewater certificates in Sumter County, Florida

As a result of the Commission's vote at the August 2, 2005 Agenda conference, please provide an executed and recorded copy of the warranty deed for the land and an estimate of the date you anticipate filing for initial rates and charges. In addition, the Commission Order required annual status reports be filed, which are to include the projected timeframe for the various stages of completion of the utility, the proposed tariffs, and other required financial schedules to set initial rates. The first annual status reports should be filed with the Commission on August 1, 2006.

Your response to this letter should be filed with the Commission on or before September 16, 2005. When filing the response, please include the docket number and direct the response to the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399. If you have any questions please call Ms. Cheryl Johnson at (850) 413-6984, Ms. Martha Brown at (850) 413-6187, or Mr. Richard Redemann at (850) 413-6999.
