Yep, sorry I forgot to mention that. Also, I just received a PDF of the corrected letter so you should be seeing it this afternoon or tomorrow morning. Thanks again.

For clarification purposes, did you want the title to reflect National Telecom & Broadband Services, LLC as well as changing the company code to TX658?

Dorothy,

The above docket is the initial IURC agreement between BellSouth and National Telecom & Broadband Services, LLC, however the BST transmittal letter included with the agreement shows the CLEC as Southern Light, LLC.

Please use this e-mail, if possible, to correct the utility listing in CMS/MCD to change company code TX610 to TX658. I have made three requests of BST to file a corrected transmittal letter and so far have not received an adequate response. The third response was just made.
