Dear Ms. Triplett:

On August 19, 2005, Progress Energy Florida, Inc. (PEF) filed a request for confidential classification for certain portions of its responses to Staff's Ninth Set of Interrogatories (Document No. 08094-05). We have read the filing and make the following request for additional justification as to why certain material should be granted a confidential classification pursuant to Rule 25-22.006, Florida Administrative Code, and Section 366.093, Florida Statutes.

**1) Interrogatory No. 212**

PEF's response to Interrogatory No. 212 contains employee salaries. Section 366.093(3)(f), Florida Statutes, provides that employee compensation is public information. Please explain why this information should be granted a confidential classification.

**CMP \_\_\_\_\_ 2) Interrogatory No. 223**

**CTR \_\_\_\_\_** PEF's response to Interrogatory No. 223 contains general expenditure information regarding the company's Mobile Meter Reading program. Please explain why such summary figures  
**ECR \_\_\_\_\_** would impair PEF's competitive interests.

**GCL \_\_\_\_\_** Within 10 working days from the date of this letter, the utility may respond to these matters  
**OPC \_\_\_\_\_** by making a filing with the Commission Clerk's Office modifying its pleading, adding additional justification, or modifying any justification. If you have any questions regarding this
