Docket No. 050001-EI
Filed: September 9, 2005

**PROGRESS ENERGY FLORIDA'S
REVISED REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Progress Energy Florida, Inc., ("PEF" or the "Company"), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, submits this Revised Request For Confidential Classification of certain information provided in Exhibit No. __ (PRM-2) to the direct testimony of Progress Energy witness Pamela R. Murphy dated September 9, 2005. In support of this Request, Progress Energy states:

1. Contemporaneously with this Request, PEF is pre-filing the direct testimony and Exhibit No. __ (PRM-2) of Pamela R. Murphy. As further explained below, Ms. Murphy's exhibit contains information that is "proprietary business information" under Section 366.093(3), Florida Statutes.

2. The following exhibits are included with this request:

(a) Exhibit A is a package containing two copies of a redacted version of the document for which the Company requests confidential classification. The specific information for which confidential treatment is requested has been blocked out by opaque marker or other means.

(b) Exhibit B is a package containing an unredacted copy of the document for which Progress seeks confidential treatment. Exhibit B is being submitted separately in a sealed envelope labeled "CONFIDENTIAL." In the unredacted version, the information asserted to be confidential is highlighted in yellow.

3. The information on lines 1-5 on page 6 of Ms. Murphy's Exhibit No. _ (PRM-2) includes highly sensitive information regarding the manner and timing of Progress Energy's entry into the fuel commodity markets. Knowledge of this information would allow the opportunity for market manipulation through transactions made in anticipation of the Company's entry into the market. In addition, market manipulations of the type that could be made if the highlighted information were to be disclosed would have the effect of increasing the price of fuel paid by Progress Energy's customers, as well as the price paid by the Company to hedge the customers' price of fuel. As such, disclosure of the information would impair the Company's efforts to contract for goods or services on favorable terms for the benefit of its customers. *See* § 366.093(3)(d), F.S. For these reasons, the Commission consistently has granted confidential classification for virtually identical information submitted in Docket Nos. 020001-EI, 030001-EI, and 040001-EI. See Order Nos. PSC-03-0034-PCO-EI, PSC-03-1279-EI, and PSC-04-1011-CFO-EI.

4. The information for which PEF seeks confidential classified is intended to be and is treated as confidential by the Company. The information has not been disclosed to the public.

5. Progress Energy requests that the information identified above be classified as "proprietary confidential business information" within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4), F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, Progress Energy Florida, respectfully requests that this Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 9th day of September, 2005.
