Re: Docket No. 020640-SU – Application for certificate to provide wastewater service in Lee County by Gistro, Inc.

Dear Mr. and Mrs. Augusto:

Thank you for your correspondence regarding the application filed in the above-referenced docket. In your letter, you indicate that you object to Gistro, Inc.'s application.

Please be advised that Gistro, Inc. has applied for a certificate to continue to operate and to begin charging rates for wastewater collection service only. The application does not contemplate a change to your current wastewater collection provider. Bonita Springs Utilities will continue to provide your wastewater treatment service. Before making a decision on the application, the Public Service Commission will carefully review the application and Gistro, Inc.'s technical and financial ability to operate the system in the public interest. The Commission will also carefully review Gistro, Inc.'s request to charge rates and charges.

The Commission needs to know your intent regarding your objection to this application. If you choose to pursue the objection, you may request a formal hearing, which will be scheduled and at which you will be required to provide testimony and other evidence to support your objection. Although the Commission allows individuals to represent themselves at hearing, you may wish to hire an attorney to represent you.

Please advise this Commission by **October 13, 2005**, if you intend to pursue your objection and wish to request a formal hearing. Your request should be made in writing and should be addressed to Blanca Bayó, Director, Division of Commission Clerk and Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850. If we do not hear from you by October 13, 2005, we will assume that you do not wish to pursue a formal hearing and your letter will be placed on the correspondence side of the docket file in this case for informational purposes.
