Re: Docket No. 020640-SU – Application for certificate to provide wastewater service in Lee County by Gistro, Inc.

Dear Ms. Fritze:

Thank you for your correspondence regarding the application filed in the above-referenced docket. In your letter, you indicate that you object to Gistro, Inc.'s application.

Please be advised that Gistro, Inc. has applied for a certificate to continue to operate and to begin charging rates for wastewater collection service only. The application does not contemplate a change to your current wastewater collection provider. Bonita Springs Utilities will continue to provide your wastewater treatment service. Before making a decision on the application, the Public Service Commission will carefully review the application and Gistro, Inc.'s technical and financial ability to operate the system in the public interest. The Commission will also carefully review Gistro, Inc.'s request to charge rates and charges.
