Re: Docket No. 030458-WU: Amended And Restated Application For Transfer Of Majority
Organizational Control And Amendment To Certificate

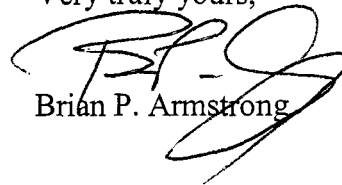

Dear Ms. Bayo:

Enclosed please find an original and five copies of the modified legal description of the service area for which Holiday Utilities seeks commission authorization to serve and a map of the revised territory. This information replaces the legal description and maps previously filed with the Commission as Exhibit II-G of the Amended and Restated Application For Transfer which was filed with the Commission on March 16, 2004. The changes were necessitated by the inability of Holiday Utilities to reach an agreement with Pasco County Utilities concerning their respective service areas in this matter. With this filing, we believe that this matter is ready for Commission consideration. Of course, my client is willing to meet with staff and representatives of Pasco County Utilities in a further effort to resolve matters in dispute or otherwise identify issues to be addressed for Commission consideration at a hearing in this docket.

Kindly acknowledge filing the of this application by date stamping the enclosed copy of this letter and returning it in the postage pre-paid, self-addressed envelope provided herewith.

Your assistance and cooperation in this regard is appreciated.

Very truly yours,

Brian P. Armstrong
