IN RE: Fuel and purchased power cost
recovery clause and generating performance
incentive factor

Docket No.: 050001-EI
Date: September 16, 2005

REQUEST FOR CONFIDENTIAL CLASSIFICATION

GULF POWER COMPANY ["Gulf Power", "Gulf", or the "Company"], by and through its undersigned attorney and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files a request that the Florida Public Service Commission enter an order protecting from public disclosure certain information on Schedule CCE-4 of Exhibit TAD-2 to the Direct Testimony of Terry A. Davis filed on September 16, 2005 (Schedule CCE-4) on behalf of Gulf Power. As grounds for this request, the Company states:

1. A portion of the information provided on Schedule CCE-4 is proprietary confidential business information regarding contractual matters which would cause irreparable harm to Gulf Power Company, the entities with whom it has entered into contracts and most importantly to Gulf's customers if such information were disclosed to the general public. In addition, the responses contain information relating to competitive interests in capacity markets which would cause irreparable harm to Gulf Power Company and the entity with whom it has contracted if such information is disclosed to the general public. This information is entitled to confidential classification pursuant to §366.093(3)(d) and (e), Florida Statutes. Schedule CCE-4 provides the actual price terms and counterparty names for capacity contracts entered into by Gulf Power for 2005. The price terms in these contracts are regarded by both Gulf and the counterparty

with whom it has contracted for capacity as confidential. The pricing, which resulted from negotiations between Gulf and the indicated counterparty, are specific to the individual contracts and are not publicly known. Disclosure of this information would negatively impact Gulf's ability to negotiate pricing favorable to its customers in future capacity contracts because possible counterparties may refuse to contract with Gulf or would charge higher rates if the price terms are being made public.

2. The information filed pursuant to this Request is intended to be, and is treated as, confidential by the Gulf Power and has not been otherwise publicly disclosed.

3. Submitted as Exhibit "A" is a copy of Schedule CCE-4, on which is highlighted the information for which confidential classification is requested. Exhibit "A" should be treated as confidential pending a ruling on this request. Attached as Exhibit "B" are two (2) edited copies of Schedule CCE-4, which may be made available for public review and inspection. Attached as Exhibit "C" to this request is a line-by-line/field-by-field justification for the request for confidential classification.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted on Exhibit "A" from public disclosure as proprietary confidential business information.

Respectfully submitted this 16th day of September 2005,

JEFFREY A. STONE
