Good afternoon.

I wanted to get back with you and let you know the status of your inquiry from Friday. I just checked our records and we still have not received payment of the 2004 Regulatory Assessment Fee, including past due penalty and interest charges, for NTERA's IXC certificate (TJ543). We did, as confirmed in our previous telephone conversation, receive NTERA's payment of \$12.50 for its CLEC certificate (TX579). I will continue to hold the request for cancellation until payment is received. Let me know if you have any questions.

Dear Ms. Cruz-Bustillo:

Yes, I received the letters and will open a docket to cancel NETEL, Inc.'s IXC certificate (TJ721) and Radiant Telecom, Inc.'s IXC certificate (TJ230).

In addition, I've received the letter from Mr. Turner requesting cancellation of NTERA's CLEC certificate (TX579). However, payment of the past due CLEC balance (\$12.50) was not received. Also, we did not receive NTERA's payment of the \$7.00 IXC balance nor the IXC's 2004 RAF plus late payment charges. The docket for NTERA will not be opened at this time until payment is received.

Let me know if you have any questions.

Good morning. Yes, I will need the original letter (with an original signature). As soon as the letter and payment of \$85 (\$12.50 CLEC balance, \$7.00 IXC balance, and \$65.50 IXC 2004 RAF plus late payment charges) are received, I'll open a docket to handle the voluntary cancellation. Concerning the IXC, if the company had zero revenues (or revenues of \$33,333 or less), NTERA would owe \$65.50, which includes the minimum \$50 fee plus \$12.50 penalty and \$3.00 interest if payment is postmarked by July 30th. If payment is postmarked between July 31st and August 29th, the interest goes up to \$3.50, or \$66.00 total. Thanks for your help.

Paula,

Thank you for the attached. I was away on vacation, therefore please excuse my late reply. I thought a letter requesting cancellation was included. (Please see attached). Nonetheless, I know you will require an original and I will get the attached letter signed and mailed to you directly.

I will also include the attached pending fees. In reference to Ntera's IXC TJ543, please verify the 2004 fees, penalties and interest so I can include with the above.

If there are any additional pending matters please do not hesitate to contact me by e-mail or at 305-467-5519.

Thank you for your attention to this matter.

Dear Ms. Cruz-Bustillo:

The payment for NTERA's CLEC certificate for 2004 and 2005 was postmarked July 16th. When we talked on June 2nd, you had said that the company would probably request cancellation of its CLEC certificate (and keep its IXC active). The payment did NOT include a letter requesting cancellation. In order to go forward, if that is what the company wants, we must receive a letter requesting cancellation, which includes an explanation of why it wishes to cancel its CLEC certificate (such as never started operations or no longer in the business), and include a check for the past due amount of \$12.50, which is the balance of \$3.00 for late payment of the 2002 Regulatory Assessment Fee, \$6.00 for late payment of the 2003 Regulatory Assessment Fee, and \$3.50 for late payment of the 2004 Regulatory Assessment Fee. In addition, the company's IXC Certificate (TJ543) has a balance of \$7.00 (\$1.00, \$3.00, and \$3.00 for late payments of the 2001, 2002, and 2003 fees, respectively) plus owes the 2004 fee, penalty and interest. Staff could not recommend approval of one certificate with outstanding fees on another.

I just wanted to let you know that a docket will not be established until the company writes a letter requesting cancellation and pays all outstanding fees for both certificates. Please let me know if you have any questions. Thanks.
