July 29, 2005

Mr. C. Keith Maynes, President  
Florida City-Link Communications, Inc. (TX142)  
579 West Heritage Park Blvd.  
Layton, UT 84041-5651

Dear Mr. Maynes:

The Regulatory Assessment Fee (RAF) is due by January 30<sup>th</sup> of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. Since payment has not been made, statutory penalty and interest charges are now applicable.

Our records show that the 2004 RAF return notice was mailed on December 10, 2004, and a delinquent notice was mailed on February 18, 2005. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2004 RAF return form is enclosed. Our records also show that you have a small past due balance for late payment of a prior year's fee, which must be paid. A breakdown is enclosed. If full payment, including penalty and interest charges, along with the RAF return form, are not received by August 19, 2005, a docket may be established. Since this will be the third time a docket is established for the same rule violation, staff intends to recommend that your company be fined \$2,000 or its certificate cancelled if you do not respond. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent your certificate from being cancelled.**

If the company owes the minimum amount, it will owe \$66.00 for 2004, plus the \$18.50 past due amount for a **total due of \$84.50**. If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should pay the past due amount in full, complete the 2004 RAF return form, either pay the 2005 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.820, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to collections. When returning payment and a copy of the completed 2004 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.

**Subject:** Question...

Records received its MCD update form back from Florida City-Link Communications, Inc.'s consultant, who was the first liaison in MCD and had his mailing address (TX142). The form had a hand-written note "no longer in business in Florida" and signed by the consultant. He had an arrow by his name and the note "no longer with company" and an arrow by the President's name with the name "still may be correct."

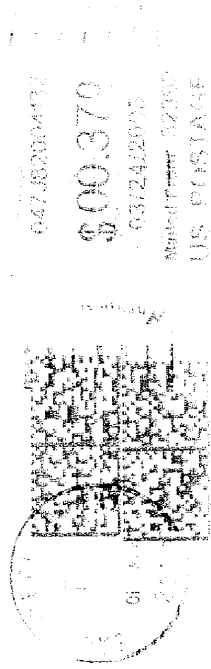

I sent the President a letter to the company's address in Utah (not the consultant's address) and it was returned "attempted not known" and "unable to forward." There are no telephone numbers listed in MCD.

Normally, I open a docket with the same docket title as my regular RAF dockets and the issue in the rec is should the Commission deny the company a voluntary cancellation. The recommendation is yes (they owe 2004 RAFs). However, since we've changed our policy, this really is not a request for cancellation since the consultant did not request cancellation. Correct? So my question is, should I just file this and then open a docket against this company when I open the rest for nonpayment of 2004 RAFs?

579 West Heritage Park Blvd.  
Layton, UT 84041-5651

Dear Mr. Maynes:

The Commission received a note from Terry Parrish advising that the company is no longer operating in Florida. If the company wishes to cancel its CLEC certificate and before staff can recommend a voluntary cancellation, the 2004 and 2005 Regulatory Assessment Fees need to be paid. The 2004 and 2005 returns are enclosed. In addition, our records show that the company has a small past due balance (\$18.50) for late payments of the 2002 and 2003 Regulatory Assessment Fees. A breakdown is enclosed. This means a total of \$124.50 is due.

As soon as the returns and payment are received, staff will go forward with the company's request for a voluntary cancellation. The effective date of the cancellation will be March 17, 2005, the date we received the note from Mr. Parrish. When returning payment and the 2004 and 2005 Regulatory Assessment Fee return forms, please use the enclosed blue envelope, which will insure prompt processing.

In the meantime, if you have any questions, just let me know. I can be reached at (850) 413-6502-phone, (850) 413-6503-fax, by internet e-mail at [PIsler@psc.state.fl.us](mailto:PIsler@psc.state.fl.us), or at the address below.

RAF System shows the 2004 and 2005 RAFs have not been paid. Unless the company sent payment, please don't open a docket at this time. I'll need to contact them. Thanks.
