

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

OCTOBER 4, 2005

RE: Docket No. 050003-GU - Purchased gas adjustment (PGA) true-up.

Issue 1: Should the Commission grant the petition of Peoples Gas for an increase in its Purchased Gas Adjustment (PGA) cap from \$0.99037 per therm to \$1.50017 per therm?

Recommendation: Yes. The Commission should approve the Company's proposed PGA cap of \$1.50017 per therm effective for all meter readings taken on or after October 4, 2005, the date of the Commission's vote in this matter. The new cap should remain in effect through December 31, 2005. Staff also recommends that the Company should include a statement on the customers' bills that explains the change in the PGA cap because of increasing natural gas prices resulting from weak natural gas supply production and the effects of Hurricane Katrina.
