Re: Filing Developer Agreement for Southlake Utilities, Inc.

Dear Ms. Bayo:

Pursuant to Rule 25-30.550, Florida Administrative Code, Southlake Utilities, Inc. ("Southlake"), hereby files with the Florida Public Service Commission ("Commission") the following developer agreement:

The Retreat – Phase Two

Ultimate Developers, LLC has reserved 35.71 ERC's or 0.012500 MGD for domestic water capacity and 39.17 ERC's or 0.011750 MGD for wastewater capacity.

Southlake Water Treatment Plant has a capacity of 2.916 MGD and the current 3 month average daily flow is 1.923 MGD. Southlake Wastewater Treatment Plant has a capacity of 1.115 MGD and the current 3 month average daily flow is 0.636 MGD.

Southlake has filed a replacement tariff with the Commission. Unlike its previous tariff, the new tariff does not include a standard developer agreement in the service availability policy section of the tariff. The enclosed developer agreement is not based upon the old developer agreement, but upon the replacement tariff and the Commission's orders changing Southlake's service availability charges, including changes to plant capacity charges and Allowance for Funds Prudently Invested Charges.
