Mr. Bruce Hollis, President
TCS Communication Solutions, LLC (TJ890)
13085 Lewistown Road
Queen Anne, MD 21657-3104

Dear Mr. Hollis:

The Regulatory Assessment Fee (RAF) is due by January 30th of each year for the preceding calendar year. For certificate holders, the RAF is owed even if a telecommunications company may not have started operations or had any revenues. Since payment has not been made, statutory penalty and interest charges are now applicable. If the company owes the minimum, the amount due is **\$66.00** (\$50.00 fee, \$12.50 penalty, and \$3.50 interest).

Our records show that the 2004 RAF return notice was mailed on December 10, 2004, and a delinquent notice was mailed on February 18, 2005. As of this date, our records do not show receipt of the RAF return or payment. A copy of the 2004 RAF return form is enclosed. If full payment, including penalty and interest charges, along with the RAF return form, are not received by August 19, 2005, a docket may be established. Your company may be fined or the certificate cancelled if you do not respond. Please note that once a docket has been established, **just paying the delinquent RAF amount will not prevent the company's certificate from being cancelled.**

If you wish to cancel your certificate voluntarily and leave in good standing with the Commission, your company should write a letter requesting cancellation, pay the past due amount in full, complete the 2004 RAF return form, either pay the 2005 RAF or provide a date certain it will be paid, and comply with the requirements of Rule 25-24.474, Florida Administrative Code, copy enclosed. Any unpaid RAFs, including penalty and interest charges, are turned over to collections. When returning payment and a copy of the completed 2004 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.

If you have any questions, please contact me at (850) 413-6502, by fax at (850) 413-6503, by e-mail at pisler@psc.state.fl.us, or by writing to me at the address below.

Sincerely,
