COMMISSION  
CLERK

Dear Rick,

I regret to inform you that I am resigning as the Deaf Service Center Association Representative on the FPSC TASA Advisory Committee, effective COB October 20, 2005. It has been a very rewarding experience working with you and your staff to improve the quality of telecommunication services to the deaf and hard of hearing community in our state. Unfortunately, my responsibilities with my center, the State Coordinating Council, the Association and at home are becoming a bit daunting and I need to lighten the load.

On behalf of the DSCA, we would like to submit Julie Church for FPSC approval as our representative. Julie is the Executive Director of the Deaf and Hearing Connection for Tampa Bay and serves as the DSCA Vice President. Also, Julie is on the Coordinating Council representing Parents of Deaf Children. I think that the Advisory Committee will find her experience, both as a service provider and a consumer, of great benefit moving forward. I am bringing her with me to the meeting on the 20<sup>th</sup>.
