In re: Fuel and purchased power cost recovery
clause with generating performance incentive
factor.

Docket No. 050001-EI

Dated: October 14, 2005

**PROGRESS ENERGY FLORIDA'S MOTION FOR LEAVE
TO FILE REVISED SUPPLEMENTAL TESTIMONY AND
REVISED PETITION FOR APPROVAL OF FUEL AND
PURCHASE POWER COST RECOVERY FACTORS**

Progress Energy Florida ("Progress Energy" or the "Company"), hereby moves the Prehearing Officer for leave to file the Revised Supplemental Testimony and Exhibit No. ___ (JP-1S) of Javier Portuondo and the Revised Petition for Approval of Fuel and Purchase Power Cost Recovery Factors proffered with this motion. In support, Progress Energy states:

1. On August 9, 2005, Progress Energy filed the testimony and revised Exhibit No. ___ (JP-1R) of Javier Portuondo to present the Company's estimated/actual true-up amounts for the period of January through December 2005.

2. On September 9, 2005, Progress Energy moved for leave to supplement the testimony and exhibits of Javier Portuondo filed on August 9, 2005. The purpose of the supplemental testimony and revised exhibit was to provide an updated estimate of the 2005 estimated/actual true-up amounts to include: (a) actual fuel costs through July 2005; (b) updated fuel price projections; and (c) adjusted estimated incremental security costs.

3. Since the filing of Mr. Portuondo's September 9, 2005 supplemental testimony, Progress Energy has revised its estimate of the 2005 estimated/actual true-up amounts to include actual fuel costs through September 2005. In light of continually increasing fuel costs, the Company is submitting these revisions to provide more accurate projections of 2005 year-end true-up fuel and capacity recovery balances based on the most recent and accurate information

available. This is consistent with, if not required by, the Commission's well established policy that a utility must inform the Commission of significant changes in projected fuel costs that have occurred subsequent to the preparation of its previously filed projections.

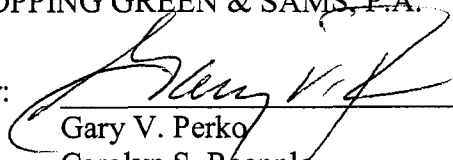

4. Undersigned counsel for Progress Energy has attempted to contact counsel for all other parties, but has been unable to determine the positions of the parties on this motion.

WHEREFORE, Progress Energy respectfully requests that the Prehearing Officer grant the Company leave to file the revised supplemental testimony of Javier Portuondo and Exhibit No. ___ (JP-1S) of Javier Portuondo and the Revised Petition for Approval of Fuel and Purchase Power Cost Recovery Factors proffered with this motion for consideration at the Commission's November hearing in this docket.

Respectfully submitted, this 4th day of October, 2005.
