Paul B. Johnson
Being Taxed Dr.
Paul's Grand, R. 33982

*I do object to the addition of my
 property to the MSN utilities.
 I cannot afford such a move, as I
 am on Soc. Sec. Have a very limited
 income.
 There is nothing wrong with my
 Septic system as well.
 With the higher taxes and raise
 in home insurance I have to save
 money even I can.*
