In re: Fuel and purchased power cost recovery
clause with generating performance incentive
factor.

DOCKET NO. 050001-EI
ORDER NO. PSC-05-1087-PCO-EI
ISSUED: November 2, 2005

ORDER GRANTING MOTION FOR LEAVE TO FILE
REVISED SUPPLEMENTAL TESTIMONY AND REVISED PETITION FOR
APPROVAL OF FUEL AND PURCHASED POWER COST RECOVERY FACTORS

On October 14, 2005, Progress Energy Florida, Inc. (PEF) filed a motion for leave to file revised supplemental testimony and Exhibit JP-1S to PEF witness Javier Portuondo's testimony, filed August 9, 2005, and a revised petition for approval of fuel and purchased power cost recovery factors. No party filed a response to PEF's motion.

PEF states that on August 9, 2005, it filed the testimony and Exhibit JP-1R of Mr. Portuondo to present the company's estimated/actual true-up amounts for the period of January-December, 2005. PEF further states that on September 9, 2005, it filed a motion for leave to supplement the testimony and exhibits of Mr. Portuondo to provide an updated estimate of the 2005 estimated/actual true-up amounts to include: actual fuel costs through July 2005 in order to derive more accurate projections of 2005 year-end true-up fuel and capacity recovery balances; updated fuel price projections for the remainder of 2005 in light of continually increasing fuel prices; and adjusted estimated incremental security costs reflecting the removal of an additional \$789,620 of base rate expenses that were inadvertently omitted from the August 9, 2005, filing.¹ According to PEF, since the filing of Mr. Portuondo's September 9, 2005, supplemental testimony, PEF has revised its estimate of the 2005 estimated/actual true-up amounts to include actual fuel costs through September 2005. PEF contends that in light of continually increasing fuel costs, it is submitting these revisions to provide more accurate projections of 2005 year-end true-up fuel and capacity recovery balances based on the most recent and accurate information available.

Upon consideration, PEF's motion for leave to file revised supplemental testimony and Exhibit JP-1S to PEF witness Javier Portuondo's testimony, and a revised petition for approval of fuel and purchase power cost recovery factors, is hereby granted.

Based on the foregoing, it is

ORDERED by Commissioner Rudolph "Rudy" Bradley, as Prehearing Officer, that the Motion for Leave to File Revised Supplemental Testimony and Revised Petition for Approval of Fuel and Purchase Power Cost Recovery Factors filed by Progress Energy Florida, Inc. is granted.

¹ PEF's motion was granted by Order No. PSC-05-0978-PCO-EI, issued October 12, 2005.
