I am writing regarding a letter I received about Amendments to Water Certificate NO 611-W and Wastewater Certificate NO 527-S to property including some I own jointly with my brother Homer F. Beers and my sister Leah M. Beers at 29194 Snook Circle, Punta Gorda, Florida. We need time to investigate what this has to do regarding our property. We do not want to agree to anything regarding these changes. It seems to us that someone is trying to push through changes without giving present property owners enough information to make an informed decision. Until we know how this will effect our property and neighborhood, we refuse to agree to any changes.
