Subject: Objection to place on file

RECEIVED - FPSC

COMMISSION  
CLERK

Please be advised that I am filing this objection on this date,  
October 30, 2005.

The objection pertains to the addition of territory to  
MSM utilities, LLC water certificate No. 611-W and wastewater  
certificate No. 527-S.

Our properties are at 29157 Maylu Ave, Punta Gorda, Fl.  
with an adjacent lot. We also have property at 1186 Taffy Dr.,  
Punta Gorda. These properties all have adequate sewer and  
water systems recently approved by Charlotte County. After  
destruction by hurricane Charley in August, 2004, our entire park  
had to rebuild. Some are still in the process.

I object,  
also, of MSM Utilities, LLC attempting to force us, thru state  
intervention, to underwrite their cost of further developing the  
property, which at this time is under the jurisdiction of the two  
aforementioned water certificates.

Most of our  
property owners are retired and parttime residents. I feel we  
have had alot of expense rebuilding our homes in the last year  
and this is totally out of the question.

Sincerely, Richard L Conrad
