RECEIVED-FPSC

We would like go on record as objecting to the application by MSM Utilities, LLC to amend its Water Certificate #611-W and its Waste Water Certificate #527-S. on the basis that they have not contacted us nor informed us of their intentions in this matter. We are retired on fixed income and don't need the extra expense and are satisfied we our current water systems.

Thank you,

*Carl D O'Brien*
