To Whom It May Concern/Director:

Re: Proposed Sewer Connection for Water
Certificate No. 611-W and Wastewater
Certificate No. 527-S

We would like to go on record as objecting to the application by MSM Utilities referenced above on the basis that they have not contacted us nor informed us of their intentions in this matter. We are retired, on a fixed income and don't need the extra expense and are satisfied with our current water system.

Sincerely,

Ronald King
