Re: Request for Waiver in Docket No. 050837-TI

Dear Ms. Bayó:

In support of the Notification Letter submitted by PAETEC Communications, Inc. ("PAETEC") and American Long Lines, Inc. ("AMLL"), (together the "Parties") to the Commission on October 14, 2005 (the "Notification Letter"), the Parties would like to make an additional filing in reference to Docket No. 050837-TI.

As outlined in our Notification Letter, the Parties are both wholly owned subsidiaries of PAETEC Corp. As subsidiaries of the same parent company, the companies continue to maintain separate billing systems, customer service operations, and other internal processes that are largely duplicative. In order to eliminate redundancies and inefficiencies, and to further streamline company operations, the Parties have determined that they should consolidate their administrative and business operation into a unified system. To that end, the Parties proposed to merge AMLL into PAETEC, transfer all of AMLL's customers to PAETEC, and discontinue AMLL's operations in Florida.

As described in the Notification Letter, AMLL will send a letter to the AMLL Florida customers (which currently comprise approximately 124 long distance customers; AMLL does not provide local service in Florida), notifying them at least thirty (30) days before the transaction will occur. A copy of the letter was attached to the Notification Letter and is also attached hereto as Exhibit A (hereinafter the "Customer Notification Letter").

Pursuant to rule 25-24.118(1), Florida Administrative Code, the long distance provider of a customer shall not be changed without the customer's authorization. Rule

REC-COMMISSION CLERK

25-24.118(2) provides that an ISC shall submit a change request to the local exchange carrier only if one of the following has occurred: (a) the provider has a letter of agency from the customer requesting the change; (b) the provider has received a customer-initiated call for service; or (c) a third party firm has verified the customer's requested change. In consideration of the description of the transaction as described in the Notification Letter and this letter, and in view of the fact that the Customer Notification Letter will be sent to all AmLL's Florida customers, the Parties ask the Commission to waive the conditions in 25-24.118(2) in order to allow the transfer of customers of record.

Due to the transfer commencing on December 31, 2005, PAETEC is relying on the understanding that AmLL's IXC registration will be cancelled effective December 31, 2005.

With AmLL being absorbed into PAETEC, PAETEC will be taking over the responsibility of handling any complaints and/or issues that should arise with any prior AmLL customers.

PAETEC will amend its tariffs by including a section addressing the grandfathered customers and incorporating their current rates and terms.

A PAETEC Company

AMERICAN LONG LINES, INC. and PAETEC COMMUNICATIONS, INC.
"Passionate About Quality"

[November __, 2005]

Dear Valued American Long Lines Customer:

American Long Lines, Inc. ("AMLL") and PAETEC Communications, Inc. ("PAETEC") are passionate about bringing you, our valued customer, quality services. AMLL became an affiliate of PAETEC in February 2005. PAETEC, a privately held company, has been providing an enhanced suite of communication services to customers since 1998. With an unwavering commitment to quality, PAETEC now serves more than 11,000 medium and large-sized business customers throughout the United States.

AMLL and PAETEC are now combining their operations in order to maximize the benefits that we may bring to you. The result will be a single company, PAETEC. PAETEC will continue providing the services you currently receive from AMLL. PAETEC will begin invoicing for your current services on or about January 1, 2006, pending all necessary regulatory approvals.

AMLL and PAETEC will work to ensure that the transfer of your services to PAETEC is seamless. Your current services will continue to be provided under the same rates, terms and conditions that you currently enjoy with AMLL. Any future changes in rates, terms and conditions of service will be provided to you as required by law; however, no changes are anticipated. PAETEC will be responsible for handling any questions or issues prior to and during the transfer. PAETEC will also be responsible for any carrier change charges that may be associated with the transfer. If you have placed a "freeze" on the current services, the freeze will be lifted (if needed) and your services will be transferred to PAETEC. As the service subscriber you must contact your local service provider if such provider is not PAETEC, to re-establish freeze protection for your services after the date of final transfer.

As always, you have the right to choose a different carrier for your services. If you do take steps to transfer your service to a different carrier you will need to make sure that the new service is ordered and provisioned no later than December 31, 2005. Please note, that choosing to terminate services may result in early termination charges being assessed per your AMLL contract. If you are a customer of AMLL on the date of the transfer and you have not informed AMLL that you have made arrangements to switch to a carrier other than PAETEC, your services will automatically be transferred to PAETEC.

AMLL and PAETEC are passionate about quality and committed to providing you with outstanding customer service, as well as an enhanced suite of products aimed to meet all of your communications needs. We look forward to continuing the mutually beneficial relationship that you have built with AMLL. If you have any questions, please do not hesitate to contact your AMLL account team or PAETEC to learn more about the company and the service offerings. Please call us toll free at 1-800-922-7730 or visit the PAETEC website at www.paetec.com.

Cordially,

Doug Derstine
Vice President
