NOTICE TO CUSTOMERS

UTILITIES, INC. OF PENNBROOKE
Docket No. 050541-WU

Pursuant to Order No. PSC-05-1032-TRF-WU, dated October 21, 2005, the Florida Public Service Commission authorized an amendment to the water tariff of Utilities, Inc. of Pennbrooke (*Utility*) to include an irrigation connection (tap-in) charge to its water service availability fees and charges. The charge for this service will be determined by the actual costs for labor, time and materials to complete the installation. The new irrigation connection (tap-in) charge will be charged only to those customers requesting connection to the main water supply lines for irrigation purposes after the tariff becomes final.

This tariff will become final unless a person whose interests are substantially affected files a petition in protest of Order No. PSC-05-1032-TRF-WU requesting a formal proceeding pursuant to Rule 28-106.201, Florida Administrative Code, during the 21-day protest period following the issuance of that order.

The Utility's approved service availability fees and charges are as set forth on the reverse of this notice.

Sincerely,

Utilities, Inc. of Pennbrooke
