RE: Docket No. 050858-TI - Acknowledgment of cancellation of IXC Registration No. TJ300 by Wireless Access Network, Inc., Effective October 28, 2005.

This docket was established on November 8, 2005, after receipt of a letter from the company's president, Mr. Jim Rossi. The letter advised that the company did not have any employees, was a "startup" corporation, and asked us to remove the company from "any category that may denote otherwise." The letter also included payment of the 2005 Regulatory Assessment Fee.

Staff called Mr. Rossi to confirm its request for cancellation and was advised that he did not wish to cancel his certificate. He advised that after he received a letter from the Commission about its tariff, he called another staff member and stated he was advised to write the letter and include the 2005 Regulatory Assessment Fee payment.

Pursuant to Section 2.07.C.2.d(1), Administrative Procedures Manual, **staff requests that this docket be closed as it was opened in error.** Please contact Paula Isler at 413-6502 if you have any questions.
