IMPORTANT NOTICE

EFFECTIVE IMMEDIATELY

In order to improve this court's efficiency in receiving and reviewing appellate briefs of the parties, the Third District Court of Appeal is requesting that when an attorney files an appellate brief with this court, the attorney also submits a copy of the brief as an attachment to an e-mail directed to the court's public e-mail address at 3dca@flcourts.org.

The brief may be submitted via e-mail in any word processing format compatible with MS Word; however, because the court's word processing system is MS Word, the court would prefer that the brief be submitted as a MS Word document utilizing the following steps:

(1) Save the brief as a single file in MS Word format. The single file should be named as follows:

Case number followed by type of brief.doc

Naming examples for each type of brief
using case no. 03-726:

Initial Brief	03-726ini.doc
Answer Brief	03-726ans.doc
Reply Brief	03-726rep.doc
Cross Reply Brief	03-726cro.doc
Supplement Brief	03-726sup.doc
Amicus Brief	03-726ami.doc

(2) Attach the file to an e-mail which states the style of the case, case number, and type of brief. Send the e-mail and attachment to the court's public e-mail address at 3dca@flcourts.org.

This change does not affect the number of paper copies of briefs that are required to be filed pursuant to Florida Rule of Appellate Procedure 9.210(h)(2). The change also does not affect requirements of when the original and copies of the brief must be received at the court by hand delivery or mail.

The voluntary submission of briefs via e-mail is replacing the voluntary submission of briefs on diskettes. However, if the attorney does not have the capability of submitting a brief via e-mail, the brief may be submitted on a diskette.

We stress that the voluntary e-mailing of the brief will be greatly appreciated.

Questions regarding these procedures should be directed to Suyin Allen, Systems Administrator at 305-229-3200 (Ext. 3203), or Veronica Antonoff, Network Administrator at 305-229-3200 (Ext. 3238).
