RECEIVED PSC  
COMMISSION  
CLERK

-M-E-M-O-R-A-N-D-U-M-

DATE: November 21, 2005  
TO: Lee Fordham, Senior Attorney, Office of the General Counsel  
FROM: Catherine S. Beard, Regulatory Analyst I, Division of Competitive Markets & Enforcement  
RE: Docket No. 050864-TL - Recommendation to Office of the General Counsel

On October 26, 2005, BellSouth Telecommunications, Inc. (BellSouth) requested additional numbering resources from the Number Pooling Administrator (NeuStar), for the Sanford exchange, Lake Mary (LKMRFLEHEDS0) switch. BellSouth requested two (2) specific NXX-Xs for two (2) specific customer's requests of 500 and 100 numbers. One customer requested the format NXX-84XX or 55XX and another customer requested anything other than the format NXX-0XXX or 9XXX. Also on October 26, 2005, BellSouth's request for additional numbering resources was denied by NeuStar because it did not meet the months-to-exhaust utilization criteria required for new blocks of numbers.

CMP \_\_\_\_\_ On November 10, 2005, BellSouth filed a petition requesting that the Commission  
COM \_\_\_\_\_ overturn NeuStar's decision. In accordance with Commission Order PSC-02-0352-PAA-TL,  
CTR \_\_\_\_\_ (Docket No. 020087-TL) which approved an expedited process for the NeuStar code denials,  
ECR \_\_\_\_\_ staff has examined the BellSouth petition and has determined the following:

- GCL \_\_\_\_\_ 1) The carrier has demonstrated that it has customers in need of numbering resources;
- OPC \_\_\_\_\_
- RCA \_\_\_\_\_ 2) The carrier has shown that it is unable to provide services to these potential customers because of NeuStar's denial of the numbering resources; and
- SCR \_\_\_\_\_
- SGA \_\_\_\_\_
- SEC \_\_\_\_\_ 3) The customers will not be able to obtain service from the provider of his/her choice because the carrier does not have the numbers available.
- OTH \_\_\_\_\_

Since the three criteria of PSC-02-0352-PAA-TL have been met, please prepare an administrative Proposed Agency Action Order to be issued within seven business days of this memorandum (December 2, 2005), as outlined in the expedited code denial process order. NeuStar should be directed to provide BellSouth the needed numbering resources to meet its customer's needs in the Sanford exchange, Lake Mary (LKMRFLEHEDS0) switch. Also, please allow staff assigned to the docket to review the Order before it is issued. If you have any questions, please call Catherine Beard at (850) 413-7080.
