In TECO's request for confidential classification (DN 09443-05; see attachment), they indicated that Hearing Exhibit No. 70 (DN 06646-04) no longer requires confidential treatment. There is mention of this in Order PSC-05-1141-CFO-EI.

Is it ok to declassify this document and place in the public docket file with the other public hearing exhibits ?

Marguerite.
