Re: Docket 050586SU

Dear Troy,

Since requesting the staff-assisted rate case May 5, 2005, property adjacent to Crooked Lake Park Sewerage property has been sold. I am in the process of trying to contact the new owners to determine whether the property will be developed as single family residences.

I am requesting that the audit, the public meeting, and the engineering report for the staff-assisted rate case be postponed for ninety days, in order for me to determine the intentions of the new owners regarding development and the implications of that development and its effect on the sewer plant.

I appreciate your assistance in this matter.

Sincerely

Kenneth Knowlton, President
Crooked Lake Park Sewerage Company
