BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition to establish generic docket to consider amendments to interconnection agreements resulting from changes in law, by BellSouth Telecommunications, Inc.

DOCKET NO. 041269-TP

Filed: November 28, 2005

**XSPEDIUS MANAGEMENT CO. SWITCHED SERVICES, LLC
AND XSPEDIUS MANAGEMENT CO. OF JACKSONVILLE, LLC'S
REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION**

Xspedius Management Co. Switched Services, LLC and Xspedius Management Co. of Jacksonville, LLC ("Xspedius") pursuant to Rule 25-22.006, Florida Administrative Code, files this Request for Specified Confidential Classification.

1. On October 17, 2005, Xspedius responded to BellSouth Telecommunications, Inc.'s ("BellSouth") First Request for Admissions. The request contains information that is confidential, proprietary business information concerning wire center locations and arrangements.

2. Because the Request contained a list of wire center locations which is information that is confidential and proprietary, BellSouth filed a Claim of Confidentiality pursuant to Rule 25-22.006, Florida Administrative Code. Xspedius responded to the Request subject to the claim of confidentiality.

3. Section 364.183, Florida Statutes, provides an exemption from the disclosure requirements of section 119.07, Florida Statutes, when disclosure of confidential business information would "impair the competitive business of the provider of the information." Disclosure of the information on the attached Request would harm the competitive interests of Xspedius by placing details of its business operations, specifically wire centers, in the public

domain. Accordingly, the information should be exempt from the public disclosure requirements of section 119.07, Florida Statutes. Xspedius considers and treats this information as confidential and proprietary. A more specific description of the exhibit information is contained in Attachment A.

WHEREFORE, based on the foregoing, Xspedius moves the Commission to enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 28th day of November, 2005.

ATTACHMENT "A"

DOCKET NO. 041269-TP

**Document and
Page No.**

Lines

Reason

BellSouth's Request for
Admissions, Page 1,
Request 1

All

The copies contain **CONFIDENTIAL** information regarding the location of wire centers and arrangements for Xspedius. This information is related to the ongoing business affairs and operations of Xspedius and can be used by competitors to harm competitive interests. Section 364.183, Florida Statutes, allows for an exemption from the disclosure requirements of section 119.07, Florida Statutes, when disclosure would "impair the competitive business of the providers of the information." Therefore, the information should be shielded from disclosure pursuant to section 119.07, Florida Statutes and section 24(a), Art. 1 of the State Constitution.

Requests for Admission

1. Admit that you have fiber-based collocation arrangements at the following

BellSouth wire centers:
