By Order No. PSC-04-0562-CFO-EI, issued 6/1/04, in Docket 040206-EI, Document No. 06062-04 was granted confidential classification for a period of 18 months. That period will expire Thursday, 12/01/05. The document should be returned to Florida Power & Light. It is my understanding that Lynn Adams will call CCA on Thursday to arrange retrieval of the document. Please advise if I need do anything further to effect this request - thank you.

I've received a voice mail from Natalie Smith asking about Order No. PSC-04-0562-CFO-EI, issued June 1, 2004, in Docket No. 040206-EI (Turkey Point Unit 5), which granted confidential treatment for 18 months to FPL's response to Staff Interrogatory No. 23 (the information dealt with short-term capacity agreements with third-party suppliers).

Natalie has asked whether FPL needs to request an extension of the confidential treatment, or whether the document can simply be returned to FPL.

Please advise ASAP re. staff's preference on the matter - thank you.
