RE: Notification by Advantage Telecommunications Corp., Sonya Bly and Robert Sorrentino of the Transfer of Control of Advantage Telecommunications Corp.

Dear Sir or Madam:

On behalf of Advantage Telecommunications Corp. ("ATC"), Sonya Bly ("Bly") and Robert Sorrentino ("Sorrentino") (together referred to as the "Parties"), this letter is to advise the Commission of the transfer of control of ATC from Bly to Sorrentino

It is our understanding, based upon review of the applicable statutes and regulations, that this transaction does not require prior Commission approval. Accordingly, absent written notice to the contrary within thirty (30) days of the date of this letter, the parties will proceed to consummate the transaction in a timely fashion.

The Parties propose a transaction whereby Sorrentino will acquire Bly's stock in ATC. This transaction does not involve transfer of operating authority nor any transfer of customers. The transaction will only involve a change of the ultimate control of ATC by virtue of the transfer of stock from Bly to Sorrentino. ATC will continue to provide competitive telecommunications services to its existing customers in this State using the same technical and managerial personnel following consummation of the proposed transaction. Because the Florida ATC customers will continue to be served by ATC following consummation of the subject transaction, it is respectfully submitted that the

FPSC-COMMISSION CLERK

provisions of the Florida Administrative Code, Rule 25-4.118, should not apply to this matter.

ATC is a Delaware corporation headquartered at 3001 Aloma Avenue, Suite 304, Winter Park, Florida, 32792. ATC is authorized to provide interstate and international long distance telecommunication services in all 50 states. ATC is a certificated provider of resold long distance services in this State.¹ Bly is an individual whose business address is 3001 Aloma Avenue, Suite 304, Winter Park, Florida, 32792. Bly has no certificates of authority. Sorrentino is an individual whose business address 651 High Street, Burlington, New Jersey, 08016.

The proposed transaction will accomplish the following:

Sorrentino will acquire 100% of the stock in ATC from Bly. The proposed transfer will be seamless to ATC's customers. ATC's name, rates and service offerings, as reflected in its tariffs, will not change as a result of the proposed transaction. There will be no interruption of service. The physical assets, property, and personnel of ATC will remain the same after the change in control. The customer service numbers for billing and service problems, liaison with Commission staff and tariffed rates will remain the same.

The proposed transaction will serve the public interest, convenience, and necessity. Consummation of the proposed transaction will result in net benefits to ATC's customers by strengthening the financial status of ATC. The transaction will enhance ATC's ability to offer a broader range of innovative products and services to customers.

The Commission's ability and authority to regulate ATC and to ensure that it satisfies all obligations, commitments and regulatory requirements established by the laws of this state and the Commission will remain unchanged. Thus, there are no potential public interest harms raised by the proposed transaction and there will be clear benefits to the public upon the closing of this transaction.

The parties are forwarding this letter to the Commission for informational purposes, to be included in the appropriate files. Absent receipt of written notification to the contrary within thirty (30) days from the date of this letter, we will proceed with the understanding that no approval or other formal action is required by the Commission prior to consummation of the proposed transaction.

¹ ATC received its authority to provide long distance telecommunications services in this State in Docket No. 991137-TI, dated December 29, 1999.
