Re: North Fort Myers Utilities, Inc.; Wastewater Service Agreement - Bayshore Station Center
Our File No. 16319.29

Dear Ms. Bayo:

Pursuant to 25-30.550, Florida Administrative Code, enclosed is a copy of a Wastewater Service Agreement entered into between North Fort Myers Utilities, Inc., and Richard H. Pritchett, III as Trustee of the Richard H. Pritchett, III Trust to provide wastewater service to Bayshore Station Center. North Fort Myers Utility Inc.'s wastewater treatment plant has a permitted capacity of 3.5 mgd. The current treatment plant connected load is approximately 1.2 million gallons a day and this Wastewater Agreement is for 1,551 gallons a day. There is sufficient capacity in NFMU's existing plant to provide wastewater service pursuant to this Wastewater Agreement. This Wastewater Agreement will have no noticeable impact on the Utility's rates due to the amount of demand being placed on the NFMU wastewater system, and resultant revenues.

In accordance with the aforementioned Rule, we will deem this Agreement approved if we do not receive notice from the Commission of its intent to disapprove within thirty days. Should you have any questions regarding this Agreement, please do not hesitate to contact me.

Very truly yours,

MARTIN S. FRIEDMAN
