Docket No. 050798-TI - Empire One Telecommunications, Incorporated

Docket No. 050799-TI - Fusion Telekom, Inc.

Docket No. 050800-TI - The NTI Corporation d/b/a Chase Communications

Issue 1: Should the Commission impose a penalty and a cost of collection, together totaling \$500, or cancel the Intrastate Interexchange Carrier's (IXC) tariff and remove from the register each company identified in Attachment A of staff's November 22, 2005 memorandum, with an effective date of December 31, 2005, for an apparent first violation of Section 364.336, Florida Statutes?

Recommendation: Yes. The companies listed in Attachment A of staff's memorandum should be penalized \$500 or have their tariffs and registrations cancelled for nonpayment of the 2004 Regulatory Assessment Fee.

APPROVED

Issue 2: Should these dockets be closed?

Recommendation: Staff recommends that the Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13)(b), Florida Statutes, any issues not in dispute should be deemed stipulated. If any company fails to timely file a protest and to request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted and the right to a hearing waived. If any company fails to pay the penalty and cost of collection, together totaling \$500, and Regulatory Assessment Fees, including statutory late payment charges, within fourteen (14) calendar days after the issuance of the Consummating Order, the company's tariff should be cancelled administratively, its name removed from the register, and the collection of the past due Regulatory Assessment Fees, including statutory late payment charges, should be referred to the Florida Department of Financial Services for further collection efforts. If any company's tariff is cancelled and its name removed from the register in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing intrastate interexchange telecommunications service in Florida. These dockets should be closed administratively either upon receipt of the payment of the penalty and cost of collection, and Regulatory Assessment Fees, including statutory late payment charges, or upon cancellation of the company's tariff and removal from the register.
