Metro Teleconnect Companies, Inc.

Abandonment Plan

1) General Abandonment Plan: Metro Teleconnect Companies, Inc. (MTC) intends on abandoning the local telephone and long distance market in your state.

2) Telecommunications services: MTC provides local and long distance service to residential customers in your state. The services are provided on a resale and UNE-P basis.

3) Reasons for abandonment: On August 2nd, 2004, MTC filed for chapter 11 protection in the middle district in the state of Pennsylvania. MTC and the underlying providers entered into stipulation agreements that provided the terms and conditions of the relationship as it related to payments for post-petition debt.

Around October 27th, 2005, MTC was unable to make the payments required by the stipulation agreement to the underlying carriers. This resulted in a default in the stipulation agreement and a subsequent notice of termination issued by the underlying carriers. MTC was not able to correct the default.

4) Detailed outline of the procedures that MTC used to facilitate continuation of service for its affected customers is as follows: MTC sent a notice out to all customers indicating that they needed to immediately find another carrier to provide service by a defined date determined by the rules of the commission of each state. The underlying carriers also agreed to abide by those commission rules.

5) The list of the current customers that will be abandoned is attached

6) The abandonment notice that was sent to the customers is attached

7) The beginning and ending dates to shop for a new provider: See the dates on the attached notice to customers.

8) The proposed exit date is as follows: See the last date for the customer to switch their service provider on the attached notice to customers.

9) Contact telephone numbers for the abandonment of Local and Long distant service in your state:

10: Customer service Line: The customer service line for existing customers will be maintained as long as feasible. We will continue to alert all customers that call our facility of their need to find another carrier. If we can no longer keep customer service representatives employed, we will attempt to put an intercept on the line indicating that the customers need to immediately find another carrier.

11: 911 MTC is a reseller and UNE-P provider of local telephone service. Therefore all information and processes regarding 911 service are controlled by the underlying carrier not MTC.

VERIFICATION

I, Chad Hazam, being duly sworn, state that I am President of Metro Teleconnect Companies, Inc., that I have read the foregoing documentation, and that the contents thereof are true and correct to the best of my knowledge, information and belief.

TO OUR VALUED CUSTOMERS:

YOU MUST CHOOSE A NEW LOCAL TELEPHONE SERVICE PROVIDER BY December 10, 2005

Dear Customer:

We regret to inform you that as of December 10, 2005 Metro Teleconnect Companies, Inc will no longer be providing your local telephone service in Florida.

YOU MUST TAKE ACTION! You must select a new local telephone service provider as quickly as possible but no later than December 10, 2005 or you may lose your local telephone service.

Generally, you can find a list of most local telephone service providers in your local telephone directory. If you require assistance, please contact Metro Teleconnect Companies, Inc toll free at **1-866-777-0773**.

After selecting a new local service provider, you should contact your current intra-LATA (Regional) toll provider and your long distance provider to be sure that neither of your current calling plans is changed as a result of your change in local service. if you do not make sure that these plans remain the same after the transfer of your local service, you may be charged basic rates (non-calling plans rates) for intra-LATA and long distance calls.

Metro Teleconnect regrets any inconvenience this change may cause you.
