Ms. Gervasi,

Thank you so much for the information and your time. I don't think I will be able to provide the proper requirements as I am not an attorney and can't afford to hire one at this time. My husband is ill and I think this case is more then I can handle on my own. I am so thankful to you in explaining the process to me as I was misinformed by our association here. Again, I apoligize for taking up your time.

Sincerely,
Deborah Equitz
