RE: Notification by Horizon Telecom, Inc., Debbie Secret and Robert Sorrentino
of the Transfer of Control of Horizon Telecom, Inc.

Dear Sir or Madam:

On behalf of Horizon Telecom, Inc. ("Horizon"), Debbie Secret ("Secret") and Robert Sorrentino ("Sorrentino") (together referred to as the "Parties"), this letter is to advise the Commission of the transfer of control of Horizon from Secret to Sorrentino

It is our understanding, based upon review of the applicable statutes and regulations, that this transaction does not require prior Commission approval. Accordingly, absent written notice to the contrary within thirty (30) days of the date of this letter, the parties will proceed to consummate the transaction in a timely fashion.

The Parties propose a transaction whereby Sorrentino will acquire Secret's stock in Horizon. This transaction does not involve transfer of operating authority nor any transfer of customers. The transaction will only involve a change of the ultimate control of Horizon by virtue of the transfer of stock from Secret to Sorrentino. Horizon will continue to provide competitive telecommunications services to its existing customers in this State using the same technical and managerial personnel following consummation of the proposed transaction. Because the Florida Horizon customers will continue to be served by Horizon following consummation of the subject transaction, it is respectfully submitted

The proposed transaction will accomplish the following:

Sorrentino will acquire 100% of the stock in Horizon from Secret. The proposed transfer will be seamless to Horizon's customers. Horizon's name, rates and service offerings, as reflected in its tariffs, will not change as a result of the proposed transaction. There will be no interruption of service. The physical assets, property, and personnel of Horizon will remain the same after the change in control. The customer service numbers for billing and service problems, liaison with Commission staff and tariffed rates will remain the same.

The proposed transaction will serve the public interest, convenience, and necessity. Consummation of the proposed transaction will result in net benefits to Horizon's customers by strengthening the financial status of Horizon. The transaction will enhance Horizon's ability to offer a broader range of innovative products and services to customers.
