The FLORIDA PUBLIC SERVICE COMMISSION announces an undocketed workshop to which all investor-owned electric utilities, municipal electric utilities, rural electric cooperatives, local governments, experts on electric system design and operations, and all other interested persons are invited.

UNDOCKETED Electric Infrastructure Workshop

DATE: Monday, January 23, 2006

TIME: 9:00 a.m.

PLACE: Room 148, Betty Easley Conference Center, 4075 Esplanade Way, Tallahassee, Florida

PURPOSE: The purpose of the workshop is to discuss the damage to electric utility facilities incurred due to recent hurricanes and explore ways of minimizing damage and resulting outages to customers in the future. One objective of this workshop will be to identify the type of damage incurred to existing facilities and whether any patterns can be discerned which would assist in developing mitigation techniques. A second objective is to identify areas for more in depth inquiry. The workshop will be conducted by Commission staff, however, one or more Commissioners may be present during the workshop. Utilities should be prepared to discuss in
